The following provisions shall apply for the photographer:

1. The Institut für Plastination (hereinafter referred to as "IfP") shall grant to the photographer, upon presentation of a valid press card, the permission to take photographs in the aforementioned exhibition. The photographs may be used exclusively for publication in contemporaneous press reports on the exhibition and only for the duration of the exhibition. Any other use of the photographs, such as book illustrations, advertising activities, internet pages etc., is subject to IfP's explicit prior written approval.
2. The signatory undertakes to send, free of charge, two copies of the publication to the *BODY WORLDS 3* press office, at the California Science Center, 700 Exposition Park Drive, Exposition Park, Los Angeles, CA 90037 within two weeks of the publication of the images.
3. The IfP leaves it at the photographer's discretion to present prints of his/her photographs and to conclude a separate agreement with the IfP, should the IfP be interested in using these prints. Irrespective of these provisions, the IfP requests every photographer to provide the exhibition's press office at the *BODY WORLDS 3* press office, at the California Science Center, 700 Exposition Park Drive, Exposition Park, Los Angeles, CA 90037 with prints which will be used exclusively for internal documentation purposes.
4. In case of unapproved use of the photographs the photographer obliges himself according to No. 1 to pay a contractual penalty of \$5,000 to the IfP. This does not apply if the photographer acted guiltlessly. This contractual penalty will fall due even if the IfP should ascertain at a later point in time that information which the photographer provided on his/her contractor or employment relationship was incorrect.
