

ENTER TODAY for your chance to win a **Tesla Model S**

Only 500 tickets are available – don't miss these fantastic odds to win the world's first premium electric sedan!

With general production for 2012 already sold out, this is your opportunity to have the car of the 21st century.

Tesla Model S pushes the boundaries of functionality, style and efficiency. Built around the driver, Model S accelerates from 0 to 60 mph in less than 6 seconds. The in-dash 17-inch touchscreen features wireless connectivity, putting streaming radio, web browsing and navigation at the driver's fingertips. The premium electric sedan seats five adults and two children, and can be recharged using any conventional outlet.

Your raffle entry grants you a 1-in-500 chance to win a Model S with a 230-mile range – and supports the educational exhibits and programs of the California Science Center Foundation.
